¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

Corporate Governance 2020

A review of the Company's 'Corporate Governance Framework' is performed on a periodic basis to ensure that it is relevant and effective in light of changing legal and regulatory requirements. The Board of Directors continues to adopt a set of Corporate Governance Practices and a Code of Conduct appropriate for the size, complexity and operations of the Company and its subsidiaries.

Unless otherwise stated all Policies and Charters meet the ASX Corporate Governance Council's Best Practice Recommendations. All Charters and Policies are available from the Company or on its website at <https://westwitsmining.com/corporate-governance/>

Principle 1: Lay solid foundations for management and oversight.

Role of the Board and Management

The Board's role is to govern the Company rather than to manage it. In governing the Company, the Directors must act in the best interests of the Company as a whole. It is the role of senior management to manage the Company in accordance with the direction and delegations of the Board and the responsibility of the Board to oversee the activities of management in carrying out these delegated duties.

The Board's responsibilities are detailed in its Board Charter and cover the following broad categories:

- 1 Leadership of the organisation
- 2 Strategy formulation
- 3 Shareholder liaison
- 4 Monitoring, compliance and risk management
- 5 Company finances
- 6 Human resources
- 7 Health, safety and well-being of Directors, Officers and Contractors
- 8 Delegation of authority
- 9 Remuneration policy
- 10 Nomination policy

Board Appointments

The Company undertakes comprehensive reference checks prior to appointing a director, or putting that person forward as a candidate to ensure that person is competent, experienced, and would not be impaired in any way from undertaking the duties of director. The Company provides relevant information to shareholders for their consideration about the attributes of candidates together with whether the Board supports the appointment or re-election.

The terms of the appointment of a non-executive director, executive directors and senior executives are agreed upon and set out in writing at the time of appointment.

Company Secretary

The Company Secretary is accountable directly to the Board, through the Chairman, on all matters to do with the proper functioning of the Board, including agendas, Board papers and minutes, advising the Board and its Committees (as applicable) on governance matters, monitoring that the Board and Committee policies and procedures are followed, communication with regulatory bodies and the ASX and statutory and other filings.

Diversity

The Company's objective is to have a workforce that is representative of the countries and communities in which it operates. Our workforce is employed based on the right person for the right job regardless of their gender, age, nationality, race, religious beliefs, cultural background, sexuality or physical ability.

The Company is committed to increasing diversity amongst its employees, not just gender diversity, at its mining operations in consultation with local community groups and Black Economic Empowerment (BEE) partners/advisors. Executive and board positions are filled by the best candidates available without discrimination. The Company is committed to increasing gender diversity within these positions when appropriate appointments become available. It is also committed to identifying suitable persons within the organisation and where appropriate opportunities exist, advance diversity and to support promotion of talented employees into management positions.

The Company has not set any gender specific diversity objectives as it believes that all categories of diversity are as equally as important within its organisation.

Performance Review

A "Performance Evaluation Policy" has been established to evaluate the performance of the Board, individual Directors and Executive Officers of the Company. The Board is responsible for conducting evaluations on an annual basis in line with these policy guidelines.

During the previous 12 months, the Board conducted performance evaluations. Results were analysed and provided the Board with valuable feedback for future development and composition of the Board.

The Board assesses the performance of KMP against qualitative and quantitative key performance indicators relevant to each KMP. A performance review of KMP occurred during the 2020 financial year in accordance with this process.

Independent Advice

Directors collectively or individually have the right to seek independent professional advice at the Company's expense, up to specified limits, to assist them to carry out their responsibilities. All advice obtained is made available to the Full Board.

Principle 2: Structure the Board to add value.

Structure and Composition of the Board

The Board has been formed so that it has an effective mix of personnel who are committed to adequately discharging their responsibilities and duties and being of value to the Company.

The names of the Directors, their independence, qualifications and experience are stated in the Directors' Report of the Annual Report 2020 along with the term of office held by each.

The Board believes that the interests of all Shareholders are best served by:

- Directors having the appropriate skills, experience and contacts within the company's industry.
- The Company striving to have a number of Directors being independent as defined in the ASX Corporate Governance Guidelines.

Where any Director has a material personal interest in a matter before the board, the Director will not be permitted to be present during discussion or to vote on the matter. The enforcement of this requirement is in accordance with Corporations Act and aims to ensure that the interests of Shareholders, as a whole, are pursued and that their interest or the Director's independence is not jeopardised.

The Board assesses whether a director is independent in accordance with the ASX Corporate Governance

Council's independence guidelines. The Board does not consist of a majority of independent directors. One of the Board's five current directors, Peter O'Malley, is considered to be independent. The Board believes the presence of an independent director provides the Board with sufficient independent judgement.

The Company believes that at this stage in its development, the most appropriate person for the position of Chairman is an Executive Director, Michael Quinert. The Executive Director's overall expertise and direct involvement in the management of the Company is crucial at this critical stage in its development and life cycle.

Board Committees

The Board's two established Board committees were suspended due to the resignation of Non-Executive Director, Mr Vincent Savage, on 21st June 2019. Mr Savage chaired both the Audit, Risk & Compliance Committee and Remuneration & Nomination Committees. Charters for Board Committees can be viewed on the Company's website. Due to the size of the Board, location of board members and the stage of development of the Company's operations, the Board as a whole performs the role that such committees would undertake.

Nomination of Directors

The responsibilities of the Remuneration and Nomination Committee and the Board include considering board succession issues and reviewing Board composition to assist in ensuring the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.

The Board uses a capabilities matrix to guide its assessment of the skills and experience of the Directors, and the skills that the Board considers will complement the effective functioning of the Board. The Board considers that there are many professional capabilities possessed among the Directors which include, but are not limited to, the following:

- Accounting and finance
- Capital market/raising experience
- Corporate Governance
- Industry knowledge
- Commercialisation of innovation experience
- Leadership knowledge & abilities
- Risk Management
- Regulatory environment knowledge
- Marketing

When the need for a new director is identified, the required experience and competencies of the new director are defined in the context of this matrix and any gaps that may exist.

Induction of New Directors and Ongoing Development

New Directors are issued with a formal Letter of Appointment that sets out the key terms and conditions of their appointment, including Director's duties, rights and responsibilities, the time commitment envisaged, and the Board's expectations regarding involvement with any Committee work.

A new director induction program is in place and Directors are encouraged to engage in professional development activities to develop and maintain the skills and knowledge needed to perform their role as Directors effectively.

As a good Corporate Citizen, it encourages compliance and commitment to appropriate corporate practices that are fair and ethical via its 'Code of Conduct Policy'.

The external auditor's engagement partner was rotated during the 2019 financial year, providing further safeguards.

CEO and CFO Declarations

The Managing Director and CFO have provided the Board with a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

External Auditor

The Company's external auditor attends each annual general meeting and is available to answer any questions with regard to the conduct of the audit and their report.

Prior approval of the Board must be gained for non-audit work to be performed by the external auditor. There are qualitative limits on this non-audit work to ensure that the independence of the auditor is maintained.

The Audit, Risk & Compliance Committee has established a policy for risk oversight and management within the Company. As mentioned in Principal 4, the committee was suspended on the 21st June 2019 with the Board as a whole taking on this responsibility.
